Assessment              Continuous assessment provides a variety of useful techniques and opportunities to assess students both informally and formally. Informal assessments include Rubrics, corresponding with specific skill masteries following the Lesson Planner pages within the Teacher Edition. Formal assessments are done periodically to offer teachers the opportunity to gauge progress on multiple skills. In the Program Assessment book, a Pretest at the beginning of the year guides and informs instruction, and a Midyear Test and Post-test give teachers an opportunity to monitor students' progress. Unit Assessments monitor students' understanding of phonics, comprehension, and language arts. Diagnostic Assessment provides more focus assessment opportunities to aid in individualizing instruction. Test Preparation and Practice Workbooks help teachers prepare their students for standardized tests, such as Terra Nova, SAT/9, and ITBS.
